SUBJECT: Randomized Alphabet Drawing Results for Voter Information Guide
Candidate Statements

FROM: 
DARLENE GUTHRIE
Elections Division

In accordance with Elections Code Section 13112, the Secretary of State's office on this date conducted a drawing of the letters of the alphabet to determine the randomized alphabet for use in the November 7, 2006 General Election Voter Information Guide for candidate statements.

Listed below is the official order of letters for use in determining placement of candidate's names in the November 7, 2006 General Election Voter Information Guide for candidate statements as determined in today's drawing.

Please note that this alphabet is to be applied **THROUGHOUT** the candidate's entire last name, so if more than one candidate's surname begins with the same letter, the second letter of the surname determines who goes first, according to where the second letter of the name appears in the random alphabet. For example, if two candidates with the surname of Campbell and Carlson are running for the same office, their order on the ballot will depend on the order in which the letters "M " and "R" were drawn in the randomized alphabet drawing.

1. I	6. J	11. Z	16. A	21. U
2. F	7. D	12. Y	17. E	22. M
3. S	8. C	13. K	18. P	23. G
4. O	9. Q	14. N	19. T	24. L
5. W	10. B	15. V	20. H	25. X
				26. R
